

Cascade™ Professional Soft Water Detergent

Cascade Professional All-Temperature Soft Water Detergent is a heavy-duty, mechanical warewashing detergent. This detergent is ideal for establishments where hard water is not a common occurrence. Its superior formula ensures instant mixing, automatic dispensing ease, and consistent results

Features

- Specially formulated for soft water conditions (0-3 gpg. water hardness)
- Non-chlorinated alkaline base detergent
- Contains lime-scale fighting agents that help prevent calcium buildup on wares and in the machine
- Effective on a wide range of soils
- Concentrated liquid form helps with ease of dispensing and enables dosing accuracy-
- Works with any type of Dish Machine

Task Area

- Mechanical Warewash Machine
