

Finished Floor Cleaner

For Effective Cleaning to Extend Floor Finish Life

Highly effective “neutral impact” floor cleaner that safely cleans finished floors, allowing for longer lasting high-gloss finish.

Formula Features:

- Formulated to be safe on finished floors
- Low sudsing
- Low/no residue
- Exceptional particulate soil removal capability
- Cost-effective – Designed to work well when highly diluted
- Clean, Fresh Scent

- Removes dirt, grease, and particulate soils, without hurting the finish, thus helping prolong the life of the floor finish.
- Versatile cleaner – Effective on virtually any finished floor, including VCT, terrazzo, stone, ceramic, and finished hardwood floors.
- Effective for use in a damp mop or auto-scrubbing cleaning program – Low sudsing and low residue cleaner.
- Can also be used as an effective daily all-purpose cleaner, in spray or as a cleaning liquid.

Applications:

- Dilute ½ oz. per gallon of water (1:256) for damp mop cleaning or all-purpose cleaning.
- Dilute ¼ oz. per gallon of water (1:512) for auto-scrubber use (can be diluted via a auto-dilution system for accuracy).
- Recommended for use as a floor cleaner or an all-purpose cleaner as a part of a regular maintenance program.
