Finished floor

**APPEARANCE**  
- Dark violet liquid

**ODOUR**  
- Low chemical odour  
- Clean, fresh scent : Pine

USAGE INSTRUCTIONS

**DILUTION DETAILS**

1 part concentrate to 8 parts water for use as spray cleaner (approx. 3.78L of concentrate = approx. 34L of diluted product)

**ATTACHING TO THE P&G DILUTION CENTER**

1. Remove white scre-on cap. Do not remove throat plug from bottle!
2. Attach this bottle to the P&G Dilution Center by screwing on mating cap from P&G Dilution Center.
3. Push down while twisting.
4. Set product in

**USAGE INSTRUCTIONS :**

1. Adjust water temperature to cool.
2. Fill properly labeled spray bottle from P&G Dilution Center.
3. Spray properly diluted product on hard surfaces. Spray no closer than 6-8 inches/15-20 cm from surface.
4. for touch soild and marks, let soak 3-5 minutes.
5. Scrub with appropriate tool. Wipe off excess product with appropriate tool.
6. Use water to rinse when needed. Food contact surfaces must be rinsed, sanitized and allowed to air dry.

Note: Safe on most hard, washable surfaces. However, on painted surfaces and wall covering, test a small area before use. If applied to plastic or coated aluminum, wipe immediately and do not let soak.
