

Cascade™ Professional All Temp Fast Dry Rinse Aid

Cascade Professional All-Temp Fast Dry Rinse Aid is an All-Temperature mechanical warewashing rinse additive. Special conditioning agents reduce surface tension to provide rapid draining and rinsing. This formula works to counteract spotting caused by water impurities and dissolved solids.

Features

- Designed for operations seeking the best results - an exceptional shine every time, without the extra work.
- Ideal for use with fine stem wares, dining wares and plastics
- Special conditioning agents reduce surface tension to provide **rapid** draining and rinsing.
- Formula includes lime scale fighting agents which reduce calcium buildup
- Leaves glasses, flatware and other wares shiny and virtually spot free
- Compatible with quaternary ammonium, chlorine and iodine based sanitizers
- Concentrated liquid form helps with ease of dispensing and enables dosing accuracy
- Works in any type of water conditions (soft, medium, hard water)
- Works with any type of Dish Machine

Task Area

- Mechanical Warewash Machine
