

Safeguard Professional Hand Sanitizing Spray – 8oz

Product Description

Proper hand hygiene is important to protect the well-being of your staff & customers. Safeguard Professional Hand Sanitizer is an effective product in the fight against cross contamination. Safeguard Hand Sanitizer works on contact without water and contains 79% alcohol by weight. When it's convenient and simple, employees and customers are more likely to practice good hand hygiene.

Features

- Kills germs (bacteria) on hands
- World Health Organization (WHO) approved formulation

Task Areas

A few simple steps to effectively sanitize your hands include: Rubbing the hand sanitizer thoroughly over all surfaces of both hands and rubbing your hands together until the product is dry.
