

# Cascade™ Professional All Temp Rinse Aid

Cascade Professional All-Temp Rinse Aid is an all-temperature mechanical warewashing rinse additive. This formula works to counteract spotting caused by water impurities and dissolved solids.

## Features

- Formula includes lime scale fighting agents which reduce calcium buildup
- Leaves glasses, flatware and other wares shiny and virtually spot free
- Compatible with quaternary ammonium, chlorine and iodine based sanitizers
- Concentrated liquid form helps with ease of dispensing and enables dosing accuracy
- Works in any type of water conditions (soft, medium, hard water)
- Works with any type of Dish Machine

## Task Area

- Mechanical Warewash Machine
