

P&G Pro Line[®] Tannin Carpet Spot Remover

An acid-fortified carpet spot cleaner formulated to attack coffee spots, tannin-based spots, rust, and oxidized organics in carpets and upholstery

Features

- · Designed for effective spot treatment of carpets, upholstery, and water-safe fabrics
- May also be applied to carpet to remove alkaline browning
- Safe on 5th generation carpet (today's current dye-stable nylon carpeting) and water-safe fabrics
- Includes a pleasant fragrance to leave the area smelling clean and fresh
- · Ready-to-use formula designed to be applied directly to the affected area

Applications

- · Spot treatment designed to remove browning or tannin-based spots
- For best results, apply directly to affected area, lightly agitate, and blot
- Do not use as a spray cleaner, due to airborne enzymes risk
