

Ultra Metal Safe Detergent 7-44 2/1 Gallon Closed Loop / 5 Gallon

Big Results!

Luster Ultra Metal Safe Detergent is an ultra-concentrated, non-chlorinated metal safe all temperature warewash detergent. It is fortified with water conditioners and emulsifiers to tackle tough jobs. It is safe for use on soft metals including aluminum as well as plastics, china, glass and other substrates. This product is specifically designed to protect metal ware from corrosion as well as inhibit build-up of scale and lime. Luster Ultra Metal Safe Detergent is designed to be used in combination with other Luster products to provide the optimal solution for each locations unique warewashing operation.
