

**POWERFORCE
II**

Powerforce II Automatic Cleaning Oven Detergent

Powerforce II is a highly concentrated cleaner formulated for use in foodservice areas to remove heavily encrusted grease and carbon from stainless steel surfaces of ovens of all models. The product is highly effective on warm surfaces up to a temperature of 160 F. The product does not leave a residue and can be used to clean oven interior glass surfaces.

Features

Contains alkaline cleaning agents, specially formulated carbonized grease liquefiers, and wetting agents.

Task Areas

1. Ovens
 2. Rotisseries
 3. Fryers
 4. Bakeware
