

P&G Pro Line® Dry Foam Carpet Cleaner

Heavy duty, foaming carpet shampoo that penetrates, lifts, and suspends soils for effective removal. Contains an Optima Brightener System to enhance carpet appearance.

Features

- Formulated with a special polymeric friable powder system to encapsulate soil and suspend it
- Ideal for commercial & retail applications, where low moisture and fast drying is a key need
- Designed for use with dry foam carpet machines (low speed, gravity-fed, floor machines) to clean carpets, upholstery, and water-safe fabrics
- Leaves a pleasant, long-lasting fragrance which leaves area fresh
- Safe on 5th generation carpet (today's current dye-stable nylon carpeting) and any water-safe fabric

Applications

- Dilute 1:32, or 4oz. per gallon of water. Can be diluted more to reduce foaming level
- Apply light foam, let dry, and vacuum away soils
- Approximately 20,000 sq. ft. of carpet can be cleaned with 1 gallon of dry foam cleaner (usage may vary with desired foam level)
