Get tough on grease with the power of Dawn

Dawn Manual Pot and Pan Detergent

- Found in almost every commercial kitchen in the US
- Long-lasting suds clean 58% more dishes per sink*
- Reduce sink changeovers by 35%*
- Dawn saves you up to 6,000 gallons of hot water per year vs. private label**
- Mild product with proprietary large molecules break down grease but don't penetrate skin
- #1 dish detergent in the US

**58%
MORE
DISHES
PER SINK***

*vs. a leading commercial product based on recommended dosage of 1oz per 10 gallon sink; average across three water hardnesses
 **per year vs. a leading commercial product based on recommended dosage of 1oz per 10 gallon sink, 4 sinks a day

Sanitize your surfaces -
safely and effectively

Clean Quick Broad Range Quaternary Sanitizer

- No-rinse sanitizer for all food contact surfaces and for third-sink sanitizing
- Sanitizes hard (non-porous) surfaces, including tables and chairs
- Registered with state and federal EPA

**NO-RINSE
SANITIZING
FOR EFFICIENCY
AND COMPLIANCE**

Simplify cleaning without sacrificing results

Spic & Span Disinfecting All-Purpose Spray and Glass Cleaner

- Clean and disinfect in ONE step
- Cleans with 50% fewer strokes*, saving time and labor
- EPA registered disinfectant,** low VOC formula
- Requires no pre-cleaning step for general disinfection
- Streak-free glass cleaning and all-purpose degreasing

Spic & Span cuts through greasy kitchen residue

*vs. other leading brands

**when used per label instructions, effective against Staphylococcus aureus and Avian Influenza

Clean and disinfect wet surfaces in one easy step

Comet Disinfecting Cleaner with Bleach

- The power of a heavy-duty cleaner and degreaser with the stain removing power of bleach
- Eliminates mold & mildew stains without scrubbing
- Cleans with 50% fewer strokes*, saving valuable time and labor
- Non-abrasive formula is effective against tough kitchen and bathroom soils

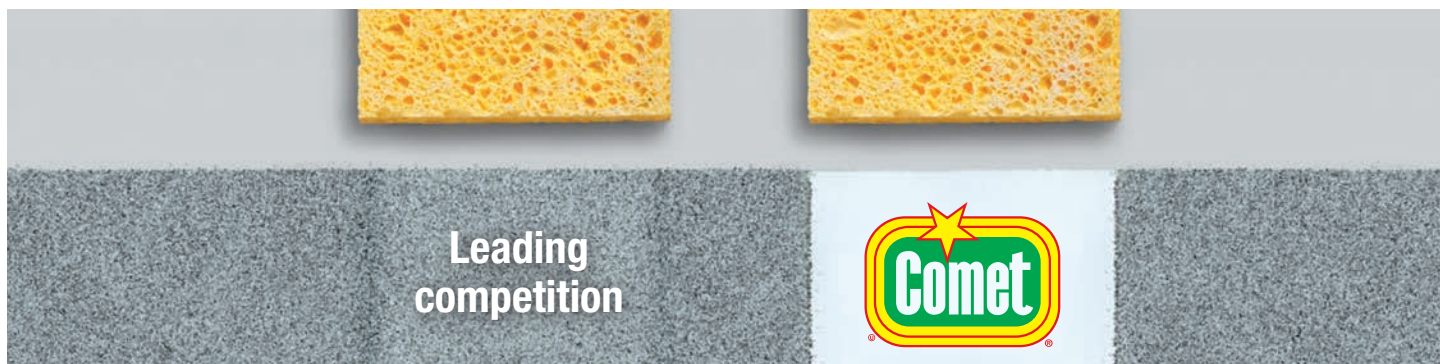

EFFECTIVE AGAINST NOROVIRUS†

EPA registered disinfectant kills these pathogens:**

Norovirus (Norwalk)	✓	Enterococcus faecalis – Vancomycin resistant (VRE)	✓
Hepatitis B virus (HBV)	✓	Poliovirus type 1	✓
HIV-1 (AIDS virus)	✓	Staphylococcus aureus Methicillin resistant (MRSA)	✓
Influenza A (2009 H1N1)	✓		

Comet cleans wet surfaces with ease

*vs. other leading brands

**EPA Registered Disinfectants are required for bio-hazardous (bodily fluid) clean-up. When used as directed at 4:1 dilution

Cut through foodservice grease
and tracked-in particulate soils

Spic and Span Floor and Multi-Surface Cleaner

- No-rinse formula saves time and effort
- Well-balanced alkaline formula with builder allows for superior grease cleaning without producing white scale residue
- Balanced non-ionic and anionic builders specifically designed to remove polymerized grease
- Classified by UL slip resistance

Choose between this product or
Mr. Clean Professional No-Rinse
Enzymatic Floor Cleaner

**REMOVES
GREASY SOILS
UP TO 2X BETTER***
VS. THE LEADING TRADITIONAL FLOOR CLEANERS,
INCLUDING ENZYMATIC CLEANERS

*after 8 strokes

Remove grease and soil with our non-corrosive, enzyme-based formula

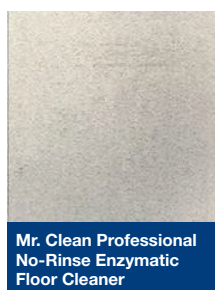

Mr. Clean Professional No-Rinse Enzymatic Floor Cleaner

- Unique non-corrosive formula contains enzymes, surfactants, and builders to remove grease and particulate soil
- Dries fast so your floors are safe sooner
- Recommended cold water usage provides energy and cost savings
- Ideal for cleaning grout lines

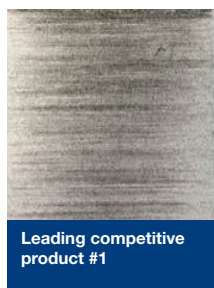

Choose between this product or Spic and Span Floor and Multi-Surface Cleaner

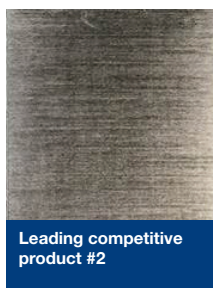

REMOVES UP TO **4.8X** GREASY SOILS

Help prevent spread of illness with proper hand washing

Safeguard Hand Hygiene Program – formulated for restaurant needs

- High surfactant formulas wash away dirt and bacteria
- Contains skin conditioner to prevent dry skin

Safeguard E2® Antibacterial Foaming Hand Soap

- No dyes or perfumes
- Effective against a wide range of bacteria
- Available in 1.2L cartridges

Safeguard® Antibacterial Hand Soap

- Powerful formula washes away dirt and bacteria
- Removes 99% of bacteria from hands
- Formulated with skin conditioners to help prevent dry skin
- Available in 1 gal bottle and 800mL cartridges

Safeguard® Hand Sanitizer Gel

- Works on contact without water
- 62% isopropyl alcohol
- Quick and easy
- Available in 1.2L cartridges

Safeguard® Liquid Hand Soap Dispenser

- Reliable ABS shell/ADS compliant
- Hassle-free cartridge replacement
- Uses hand soap and gel cartridges

Safeguard® Foaming Hand Soap / Hand Sanitizer Dispenser

- Uses hand soap and gel cartridges
- Hands-free product dispensing
- Free-standing design

Get a “like new” clean with the industry’s famous grease-cutting solution

Trust the grease-cutting power of Dawn®

Multi-purpose degreasers from P&G Professional™ work to fight grease on a variety of kitchen surfaces so you can:

- Cut more grease with less effort
- Clean more areas with fewer SKUs
- Lower chemical inventory costs
- Reduce training time

Dawn® Power Dissolver

- Patented solvent-based formula
- Ideal for baked-on and burned-on grease – No scrubbing required!!
- Pre-treat your toughest pots and pans and wipe grease away
- Reduces the need to scour pots, pans, and baking sheets
- Effective for pots and pans, baking sheets, casserole dishes, stove tops, grills, stainless steel, cold surfaces, baked-on and burnt-on foods and grease

Dawn® Ultra Heavy Duty Degreaser – Concentrate

- Cleans extra-tough, greasy buildup
- Works on a variety of kitchen surfaces
- For interior and exterior surfaces
- 60% more cost effective than ready-to-use options
- Effective on range hoods, fryers, ovens, walls, drive-thru pads, sidewalks, parking lots, and spot cleaning

Dawn® Heavy Duty Degreaser – Ready-to-use

- Cleans greasy buildup
- Works on a variety of kitchen surfaces
- For interior and exterior surfaces
- Effective on range hoods, fryers, ovens, walls, drive-thru pads, sidewalks, parking lots, and spot cleaning

Get exceptional shine every time, without the extra work

New Cascade Professional™ is specially formulated to deliver **exceptional shine every time, without the extra work** of rewashing, bleaching, polishing or deliming.

Advanced ProShine™ technology

Cascade Professional™ with ProShine technology contains limescale-fighting agents that help prevent the attachment of calcium to the surfaces of your wares and machine. Instead of calcium turning into filming and cloudiness, it gets washed away.

Deliver like-new results straight from your machine

After three months (700 washes)*, glass and flatware still shine with:

- **No** polishing on glassware
- **No** polishing on silverware

After 1,300 washes with no deliming, the difference in limescale build-up is significant.

With Cascade Professional™ you:

Save money –

- \$1,700 in average annual savings** from rewashing and deliming (\$800 in hard savings & \$900 in labor savings)
- Additional labor savings from polishing

Optimize your operation – Keep your machine clean and efficient while **doubling** the time between deliming

*in medium water hardness
**based on 300 racks/day

Mechanical warewash product line-up

Presoak

Cascade Professional Silverware Presoak 1 gal

- Designed for presoaking and de-tarnishing flatware
- Contains ingredients to aid in the reduction of water spotting on flatware and loosening of tough cooked-on soils
- Performs in hard and soft water

Detergents

Cascade Professional Detergents

- Heavy-duty, all-temperature machine detergent
- Superior formula ensures instant mixing, automatic dispensing ease, and consistent results
- Can be used with any machine

Cascade Professional All-Temp Detergent 1 & 5 gal

- Can be used in any water condition
- Formula contains superior limescale fighting molecules for medium and hard water environments

Cascade Professional All-Temp Soft Water Detergent 1 & 5 gal

- Ideal for environments with soft water

Rinse aids

Cascade Professional Rinse Aids

- Work in all-temperature dish machine applications
- Counteracts spotting caused by water impurities and dissolved solids.
- Compatible with quat, chlorine and iodine based sanitizers

Cascade Professional All-Temp Rinse Aid 1 & 5 gal

- Special conditioning agents provide rapid draining and rinsing

Cascade Professional All-Temp Fast Dry Rinse Aid 1 & 5 gal

- 15% faster drying time vs. All-Temp Rinse Aid
- Ideal for operations where dry time is of high importance (high end covers & plastic items)

Sanitizer

Luster Professional Chlorine Based Sanitizer 1 & 5 gal

- EPA registered
- Designed for all food contact surfaces
- Registered for mechanical and manual warewash

Ancillary products

Luster Professional Metal Safe Detergent 1 & 5 gal

- Specifically designed to protect metal wares from corrosion
- Safe for use on soft metals including aluminum

Luster Professional Bar Glass Detergent 1 gal

- Low-sudsing manual detergent
- Designed for glass washing

Steramine Sanitizer Tablets 150 ct

- Quat-based
- EPA registered for all food contact surfaces
- For 3-tank manual operation (bar sink)

Specialty

Luster Professional Presoaks 7lb

- Designed for presoaking wares in powder form (no dilution equipment)
- De-tarnish and de-stain
- Enzyme based Silverware Presoak
- Oxy Presoak and Destainer

Luster Professional Delimer ZP 1 gal

- Phosphate-free limescale remover
- Removes mineral deposits on dish machines and kitchen equipment

Luster Professional Conveyor Lube 5 gal

- Soap-based lubricant for conveyor systems

Simplify your cleaning with our complete system

Our dilution control:

- Reduces employee contact with concentrated cleaners, improving safety and lowering risk of accidental splash
- Reduces glugging, which lowers in-use cost
- Easy-to-use system allows only the right color and size cap to work with the matching product

Tackle specific cleaning needs with our specialty products

Mr Clean® Magic Eraser

- Highly effective cleaning tool for walls, floors and other non-finished surfaces
- Each swipe removes more grime than leading all-purpose spray cleaner
- No harsh chemicals

Mr Clean® Kitchen & Slicer Cleaner

- Powerful cleaner safely removes food soils—even removes food stains from plastic cutting boards
- Designed to be safe for cleaning all aluminum parts while being less corrosive on aluminum alloy than water

Baseline® Stainless Steel Cleaner & Polish

- Specially formulated to clean, polish and protect stainless steel and a wide variety of other surfaces in one step, without hard rubbing

DCT® Bio Drain XL Cleaner & Deodorizer

- Natural enzymatic cleaner engineered to break down all types of organic soils and grease buildup from drain lines
- Removes the source of odors

DCT® Freezer Cleaner

- Specially formulated, dual-purpose cleaner and degreaser for use in walk-in freezers and coolers

DCT® Oven Cleaner

- Highly concentrated, non-caustic, non-aerosol oven cleaner
- Designed specifically for the foodservice industry to remove heavily encrusted grease and carbon from ovens

DCT® Cutting Board Restorer

- Designed to be a periodic application that will clean and remove stains from white foodservice blocks and cutting boards with less effort

Dedicated to your satisfaction

P&G Professional Service

Dedicated to your satisfaction

We offer P&G Professional Service – a team that’s fully dedicated to your satisfaction, with streamlined solutions designed just for you.

P&G Professional™ SERVICE

★ ★ ★ ★ ★

Motivated by your satisfaction, not commissioned sales

- Sales and Service reps serve different roles, so we’re not selling you products or equipment you don’t need
- We’re measured on customer satisfaction, responsiveness, quality and compliance – NOT commissioned sales

Service essentials

- Expert installation of performance-guaranteed equipment
- 24/7 emergency support when you need it
- Data capture lets you know what service has been performed, with date and time of visit

Regulatory support

Our dedicated team works across local, state and federal levels to ensure compliance with:

- Plumbing, food-safety, and worker-safety regulatory authorities, such as OSHA, Board of Health, CMS regulations, CDC guidance, and other local & state public health agencies

Transparent property reporting

- You’ll know when we’ve been there and what actions were taken
- Receive insights into your locations’ performance, based on usage, equipment performance and compliance

Procedures

- Easy-to-follow cleaning and safety procedures reinforce employee training
- Multi-lingual procedures provide clear understanding
- Digital procedures available through our online portal

Accuracy, performance, easy maintenance

Equipment

Dilution equipment

Accuracy, performance and simplicity. Tytro Pro uses AccuPro™ integrated water pressure control technology for improved reliability – averaging 98-99% accuracy* at low and high flows across the range of metering tips.

Innovative equipment solutions

- **Accurate dosing** for less waste and more savings
- **Tytro Pro system** with Accupro technology **averages 98-99% accuracy*** at low and high flows across the range of metering tips
- **Expert installation without interrupting** your business
- **Guaranteed equipment** performance

RUGGED, INTUITIVE DESIGN

- **Highly Durable**, high-impact resin cabinet and ergonomic design
- **Intuitive use**, easy-to-use, large locking buttons
- **Helps ensure regulatory compliance** backflow prevention devices meet ASSE 1055 Standards

CUSTOMIZABLE FEATURES

- **Alleviate water problems** with flushable filter and integrated water pressure control
- **Address a wide range of unique needs** with six modular designs

ACCURATE DOSING

- **Smart water control** with AccuPro pressure control technology
- **Improved dilution** accuracy over wider range of water pressure
- **Precision manufactured** components for greater accuracy

EASY INSTALLATION AND MAINTENANCE

- **Simplifies installation** with integrated mounting plate
- **Minimizes kinked tubing** by incorporating swivel-action eductor
- **Reduces repair and inspection time** tool-less access, with optional captive fasteners for security

A range of dilution box models allows for customized solutions to fit your business.

Ancillary warewash equipment

Plate rack

- Full-size plate rack
- Tough polymer plastic
- Extended height to prevent plate breakage
- Open bottom & sidewalls for efficient drying
- NSF Certified

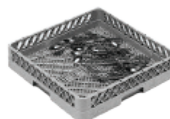

Glassware racks

- Full-size glass racks
- Tough polymer plastic
- Open bottom & sidewalls
- NSF Certified
- Available in many sizes

Cup racks

- Full-size cup racks
- Tough polymer plastic
- Molded in tilt bar for spot free cleaning
- NSF Certified

Flatware racks

- Full-size flatware rack
- Interior ribs/mesh surface
- Tough polymer plastic
- NSF Certified

Flatware baskets with handles

- Tough polymer plastic
- NSF Certified

Flatware cylinders

- For vertical washing and drying of flatware
- Tough polymer plastic
- NSF Certified

Dolly and dolly cover

- Impact-resistant, high-density polyethylene
- Reinforced caster mounts & rib reinforced base
- 5" casters for rough/uneven surfaces
- Transports stacked or single, full-size dish racks
- Holds up to 450 lbs.
- Vinyl covers for dish racks available
- Adds protection from dirt and dust

Electric upright bar glass washer

- Installs in any sink
- Partially submerged
- Spinning brushes
- Heavy-duty construction

Hold down grid

- Keeps items in rack during wash cycle
- For use with glass, cup base, and flatware racks
- NSF Certified

Manual bar glass washer

- Durable suction cup base
- Heavy-duty long-life brushes
- Effortlessly scrubs glassware

Silverware soak system

- Tough polymer plastic
- NSF Certified

Electric submersible bar glass washer

- Fully submersible
- Sealed motor
- Heavy-duty construction
- Spinning brushes

Bus pan

- Tough polymer plastic
- NSF Certified

Pre-rinse spray heads

- Range of water flow options
- High-intensity food removal
- Automatic shut off stops

Easy to learn. Easy to use.

P&G Professional Training

Easy to learn. Easy to use.

Training all employees is essential to the success of your cleaning program. Challenges like high employee turnover, confusing products and complicated procedures make it difficult to effectively train employees and keep your business running smoothly.

At P&G Professional, our training program is **easy to learn – and easy to use**.

- Streamlined products that can clean more with less
- Brands your employees already know and trust
- A broad range of training tools

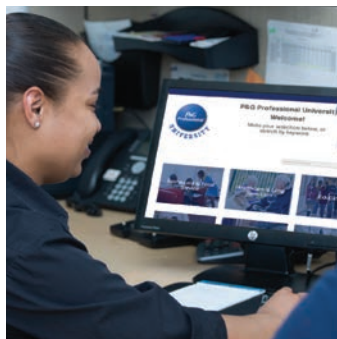

Customizable training for your business

The P&G Professional Training program provides a number of resources, in both English and Spanish, for ease and accessibility – **customizable to fit with how your business operates**, including:

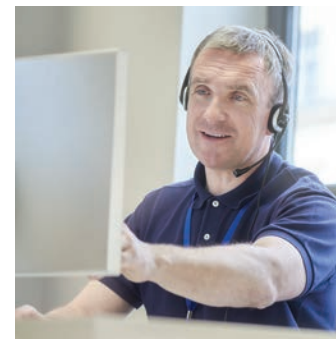

In-person training

Desktop and mobile access to online tutorials, videos and quizzes at P&G Professional University

Simplified procedure materials, wall charts and job aids

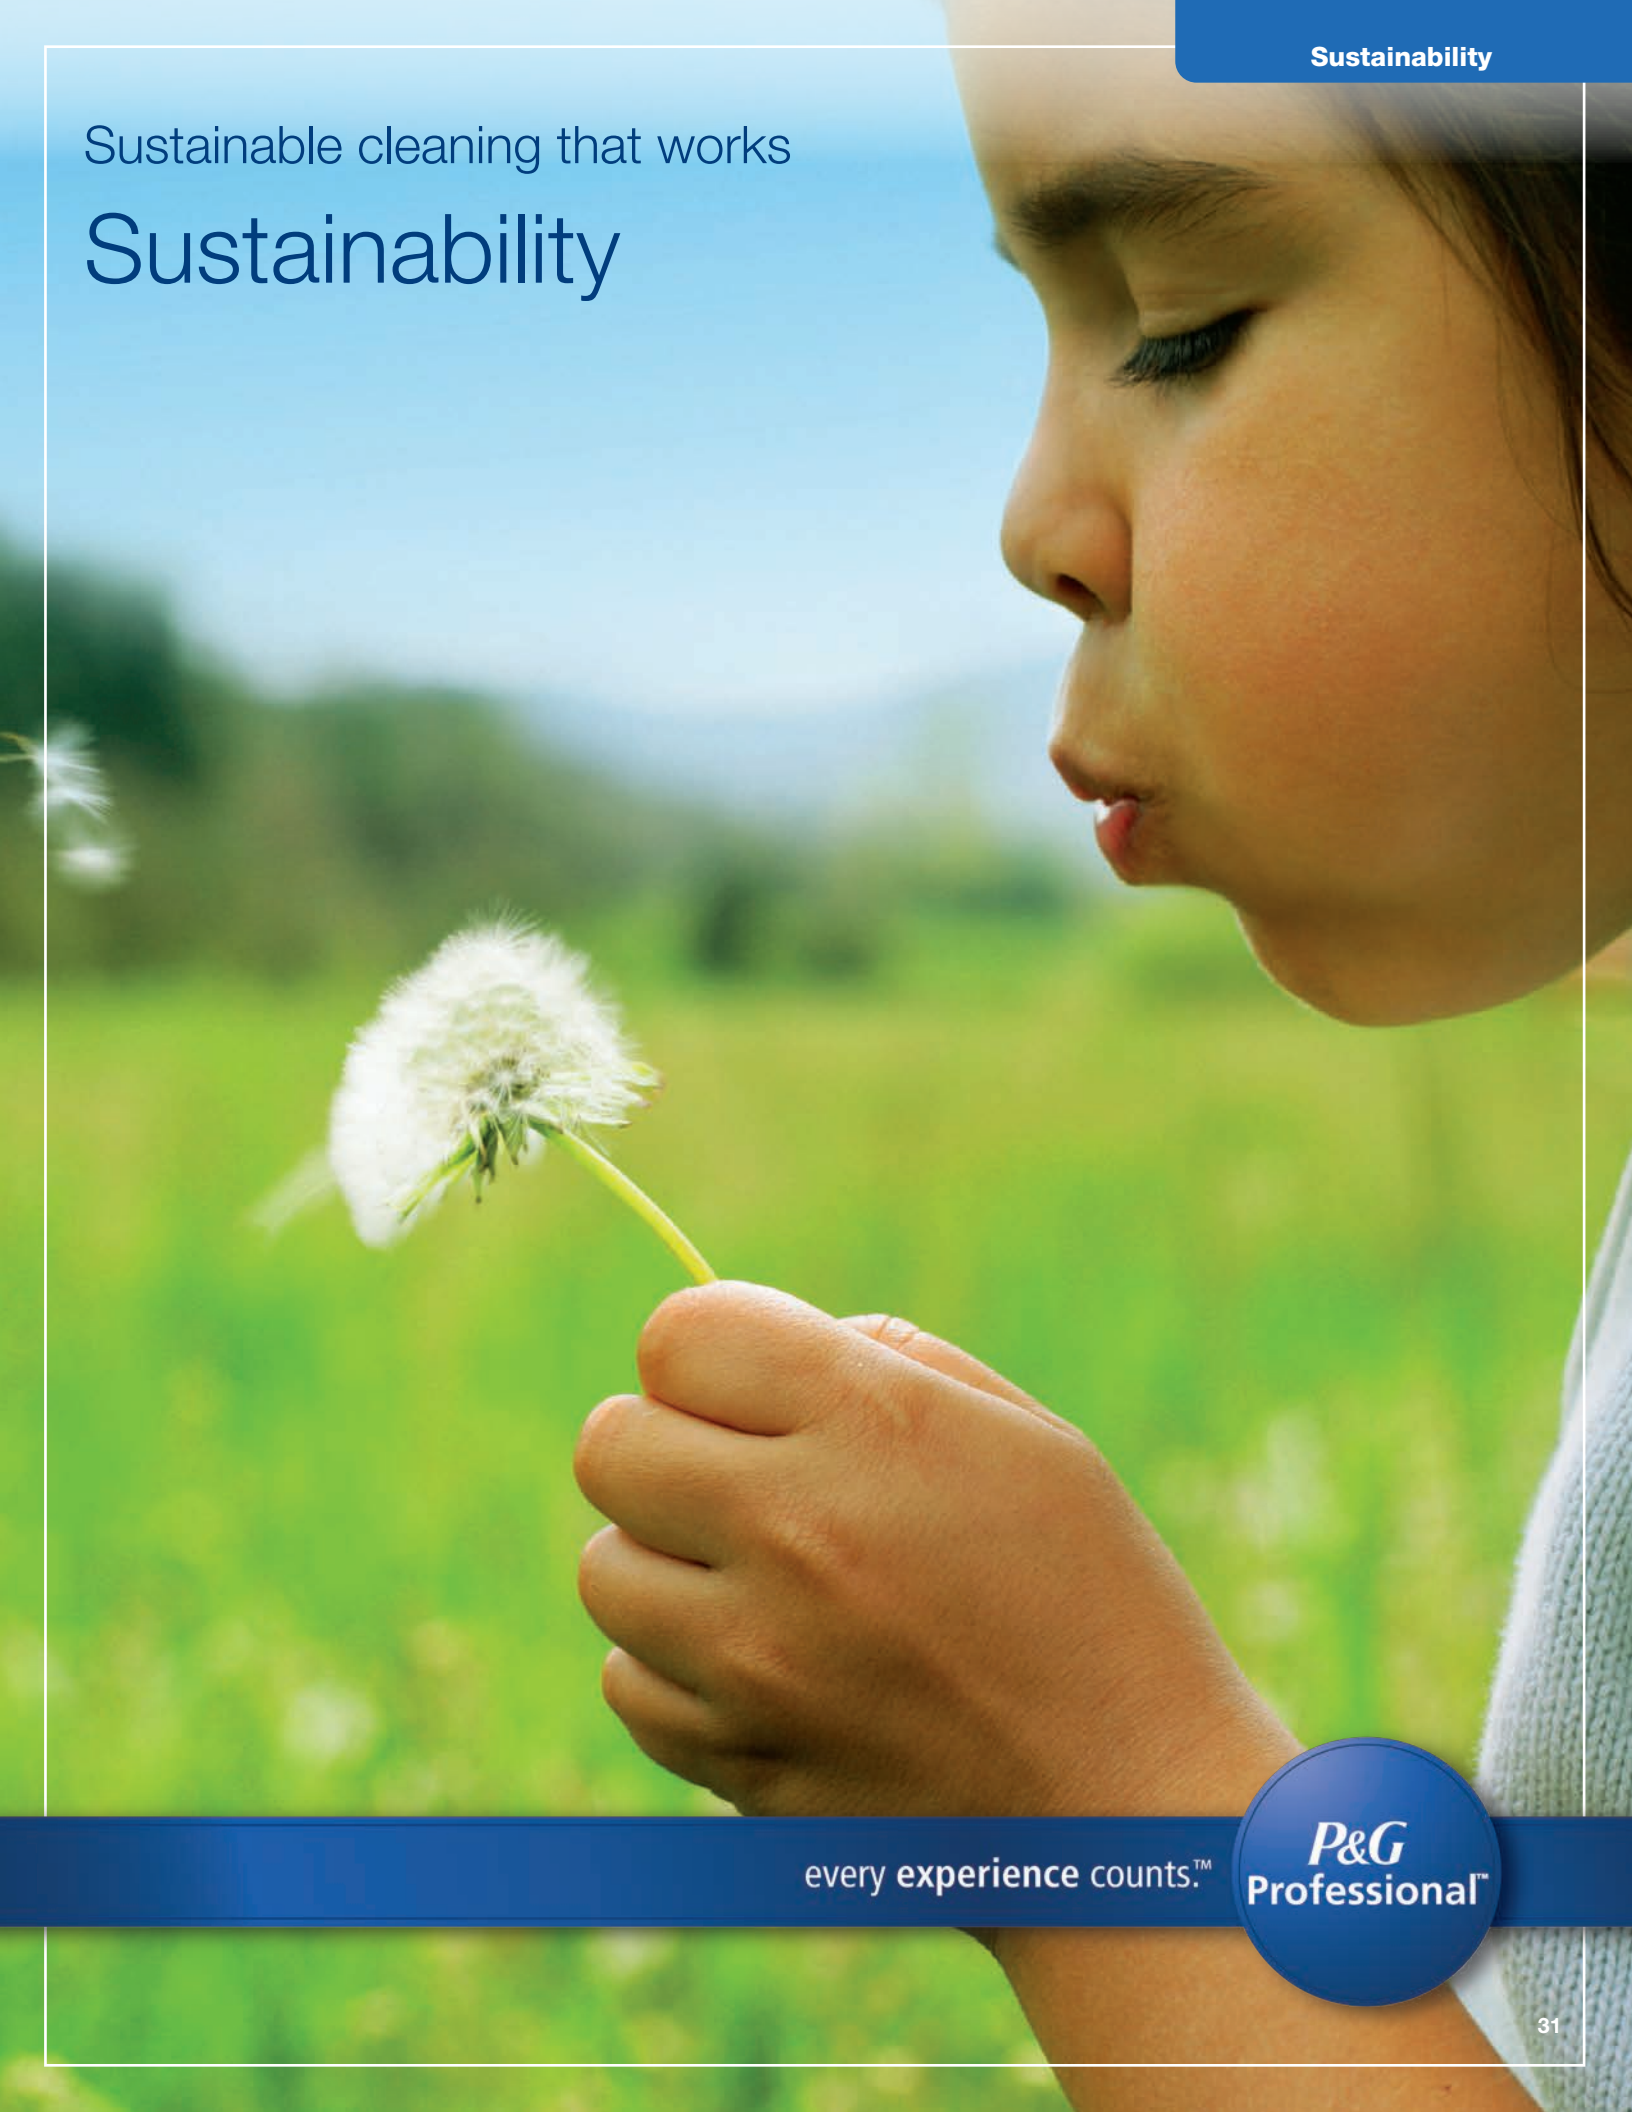

24/7 training by phone

Sustainable cleaning that works

Sustainability

every experience counts.™

P&G
Professional™

The next generation of sustainable cleaning

At P&G, sustainability is a responsibility and an opportunity to make improvements that matter, and to make life better for the greatest number of lives. As a company, we have committed to bold, long-term goals, publicly declaring to move toward:

- Powering our plants with 100% renewable energy
- Using 100% renewable or recycled materials for all products and packaging
- Having zero consumer & manufacturing waste go to landfills

For more on P&G's overall approach to sustainability, please visit us.pg.com/sustainability

Sustainability and P&G Professional

We believe that green begins with clean. Our scientists formulate products that deliver **outstanding results the first time** to help you:

- **Conserve energy, water and packaging**
- **Reduce waste**
- **Save time and money**

We help businesses thrive by providing products of superior quality and value, now and for generations to come.

P&G Professional Green Guarantee

Our internal certification program ensures that P&G products provide outstanding performance while meeting high standards for environmental and human safety.

- All Green Guarantee products **meet required external standards**, including the US EPA national or international standards
- Green Guarantee products meet P&G's high internal standards to ensure we deliver **safe, effective products for billions of people**

LEED for Existing Buildings certification

P&G Professional products have contributed to many customers achieving LEED for Existing Buildings certification.

- From restaurants and schools to hotels and office buildings, P&G Professional products can help customers qualify for LEED: EB certification
- Our line of disinfectants and floor cleaners meet California VOC requirements, a criterion for green cleaning products under LEED Existing Building standards
