Easy-to-learn, easy-to-use training that makes cleaning intuitive and efficient

Service - pg. 42

Comprehensive service team, dedicated to your satisfaction

WHY CLEANING AND DISINFECTION?

The CDCP & American Journal of Infection Control highlight cleaning and disinfecting as **important parts of a comprehensive infection prevention strategy.**

Cleaning

Removal of visible soils, food particles, and organic matter

Disinfecting

Killing of microorganisms such as bacteria, yeasts, fungi, and viruses

Infection Prevention Strategy

Reduces spread of microorganisms on treated surfaces

Only cleaning is not enough

Cleaning removes dust, dirt, allergens*, and grease but does not kill germs!

*inanimate allergens from dust-mite matter, pet dander, cockroach matter

Only disinfecting is not enough

Disinfections kill germs, but do not remove soils

every experience counts.™

EPA Registered Disinfectants

YOUR MOST CONFIDENT CLEAN

Now, as always, we're committed to providing a superior clean for your business. That's why P&G Professional is proud to offer a whole suite of cleaning products that are EPA registered - so you can achieve your most confident clean, every time.

- ✓ Superior products you know & trust
- ✓ Disinfectants to reduce bacteria and viruses on treated surfaces
- ✓ **Included on the EPA List N: disinfectants for use against the novel coronavirus SARS-CoV-2**

CLINICALLY TESTED TO BE **GENTLE** ON SENSITIVE SKIN

Our Tide Professional Laundry System:

- Is designed to be safe with a unique near-neutral pH formula
- Is clinically tested to be gentle on sensitive skin
- Keeps fibers stronger for longer-lasting linens*
- Provides noticeably softer fabrics**

every experience counts.™

P&G Professional™

* vs. leading alkaline system in 50-cycle test with Tide Professional System (Tide detergent, Clorox, Tide Whiteness Enhancer and Downy)
** vs. leading alkaline system in 30-cycle test with Tide Professional System (Tide detergent, Clorox, Tide Whiteness Enhancer and Downy)
Clorox is a trademark of The Clorox Co., used under license by P&G

LAUNDRY CARE

Protect your laundry investment

Optimize your fabric care system with Tide®, Downy® and Clorox® so your linens look and feel more like new, longer. These solutions deliver Tide’s signature clean to everyday soils, with specially formulated stain aids to remove stubborn stains like grease, rust, coffee, and more.

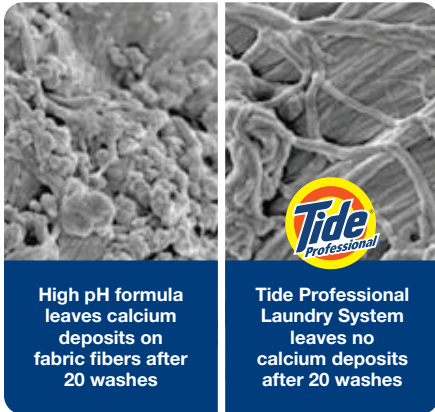

Here are just a few of the many benefits:

	Tide® Professional Everyday System	Tide® Professional Advanced System	Tide® Professional Coldwater System
Soft, clean, white linens your guests will notice	✓	✓	✓
Near-neutral pH system	✓	✓	✓
Employee satisfaction and safety*	✓	✓	✓
Keep linen fibers stronger for longer-lasting linens**	✓	✓	✓
Rejuvenates linens and maintains whiter whites**		✓	✓
Reduces utility costs†			✓
Potential bottom-line SAVINGS when you switch†† For a 150-room property	\$1,400	\$2,600	\$8,700

Clorox is a trademark of The Clorox Co., used under license by P&G
 * according to a survey on employee satisfaction of over 400 P&G Professional current on-premise laundry end users, 2013
 ** vs. leading alkaline system in 50-cycle test with full Tide Professional System – Tide Detergent, Clorox, Tide Whiteness Enhancer and Downy
 † Through utilization of less water and gas in washing machines when you switch to Tide Professional Coldwater System from the standard hot system. For guest room linens only.
 †† Annual savings based on switching from the standard alkaline system to the Tide Professional Coldwater System. Assume U.S... average commercial water and gas costs according to Black & Veatch 2012/2013 report "50 Largest Cities Water/Wastewater Rate Survey" and the American Gas Association 2012 "Energy Industry Analyses and Statistics". Must have fully programmable washing machines to qualify for Tide Professional Coldwater system savings. Linen savings based on a 50-cycle test using Tide Detergent, Clorox, Tide Whiteness Enhancer, and Downy vs. the leading alkaline system. Savings assumes the standard competitive system is priced parity with Tide Professional Everyday system- Tide Detergent, Clorox and Downy and uses Linen replacement cost data based on a study among Hospitality key decision makers in April 2014.

LAUNDRY CARE

Experience guest satisfaction with white, bright, soft linens

NEAR NEUTRAL PH FOR SAFETY

Near neutral ph

- No harsh alkali or acids required to neutralize wash bath
- No phosphates, APEs, NPEs, or APEO surfactants
- Non-DOT hazardous

DCT Oven Cleaner

- Highly concentrated liquid oven cleaner for stainless steel applications
- Removes heavily encrusted grease and carbon from ovens, grills, and smokehouses

Safeguard® Antibacterial Foaming Hand Soap with Dispenser

- Great smell – no unpleasant chemical odors
- Effective against a wide range of bacteria

Additional products for your cleaning include:

DCT Cutting Board Restorer
DCT Delimer

P&G Pro Line® Digestant Deodorizer

Cascade® Fryer Boilout

*vs. leading competitor †Not yet approved in CA ††effective against the following: Avian Influenza (H3N2)Avian Influenza (H5N1), Bovine Viral Diarrhea virus, Feline Calicivirus (Norwalk Surrogate), Hepatitis A virus (HAV), Hepatitis C virus (HCV), HIV-1 (AIDS virus), Influenza A (2009 H1N1), Norovirus (Norwalk), Poliovirus type 1, Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella cholerasuis/enterica, Burkholderia cepacia, Enterobacter cloacae - Carbapenem resistant (NDM-1), Enterococcus faecalis, Escherichia coli, Escherichia coli O157:H7, Klebsiella pneumoniae - Carbapenem resistant (NDM-1), Listeria monocytogenes, Salmonella typhimurium, Shigella dysenteriae, Staphylococcus aureus - Community Acquired Methicillin resistant (CA-MRSA), Staphylococcus aureus - Methicillin resistant (MRSA), Yersinia enterocolitica

MECHANICAL WAREWASH

Get exceptional shine every time,
without the extra work

New Cascade Professional™ is specially formulated to deliver exceptional shine every time, without the extra work of rewashing, bleaching, polishing or deliming...

Advanced ProShine™ technology

Cascade Professional™ with ProShine technology contains limescale-fighting agents that help prevent the attachment of calcium to the surfaces of your wares and machine. Instead of calcium turning into filming and cloudiness, it gets washed away.

every experience counts.™

P&G
Professional™

MECHANICAL WAREWASH

Deliver like-new results straight from your machine

With Cascade Professional™ you:

Save money –

- \$1,700 in average annual savings** from rewashing and deliming (\$800 in hard savings & \$900 in labor savings)
- Additional labor savings from polishing

Optimize your operation –

- Keep your machine clean and efficient while **doubling** the time between deliming

After three months (700 washes)*, glass and flatware still shine with:

- **No** polishing on glassware
- **No** polishing on silverware

After 1,300 washes with no deliming, the difference in limescale build-up is significant.

*in medium water hardness
**based on 300 racks/day

MECHANICAL WAREWASH

Mechanical warewash product line-up

1

Presoak & specialty

Cascade Professional Silverware Presoak 1 gal

- Designed for presoaking and de-tarnishing flatware
- Contains ingredients to aid in the reduction of water spotting on flatware and loosening of tough cooked-on soils
- Performs in hard and soft water

Luster Professional Presoaks 71b

- Enzyme based designed for presoaking wares in powder form (no dilution equipment)
- De-tarnish and de-stain
- Oxy Presoak and Destainer

Luster Professional Delimer ZP 1 gal

- Phosphate-free limescale remover
- Removes mineral deposits on dish machines and kitchen equipment

Luster Professional Conveyor Lube 5 gal

- Soap-based lubricant for conveyor systems

2

Detergents

Cascade Professional All-Temp Detergent 1 & 5 gal

- Can be used in any water condition
- Formula contains superior limescale fighting molecules for medium and hard water environments

Luster Professional All-Temp Detergent 1 & 5 gal

- Works in particularly troublesome water conditions
- Non-chlorinated

Luster Professional Low-Temp Detergent 1 & 5 gal

- Performs in most water conditions
- Non-chlorinated

3

Rinse aids

Cascade Professional All-Temp Rinse Aid 1 & 5 gal

- Special conditioning agents provide rapid draining and rinsing

Cascade Professional All-Temp Fast Dry Rinse Aid 1 & 5 gal

- 15% faster drying time vs. All-Temp Rinse Aid
- Ideal for operations where dry time is of high importance (high end covers & plastic items)

Luster Professional All-Temp Rinse Aid 1 & 5 gal

- Works in most water temperatures and conditions

4

Ancillary products

Luster Professional Chlorine Based Sanitizer 1 & 5 gal

- EPA-registered for mechanical and manual warewash
- Designed for all food contact surfaces

Steramine Sanitizer Tablets 150 ct

- Quat-based, EPA-registered for all food contact surfaces
- For 3-tank manual operation (bar sink)

Luster Professional Metal Safe Detergent 1 & 5 gal

- Specifically designed to protect metal wares from corrosion
- Safe for use on soft metals including aluminum

Luster Professional Bar Glass Detergent 1 gal

- Low-sudsing manual detergent, designed for glass washing

CARPET CARE

Easy cleaning, beautiful carpets, one system

Easy cleaning, beautiful carpets, one system

Simplify carpet cleaning with P&G Pro Line® Carpet Care System. Maintain, restore and protect carpets with a complete high performance system that works together to help carpets look their best.

CARPET CARE

3 easy steps to fresh, clean carpets

1

Daily/regular maintenance spotters.

Avoid staining with these clear formula products. Fresh, clean fragrance.

#20 General Use 25 oz

- Engineered to penetrate petroleum-based soils and break down protein and food stains
- Formulated with non-ionic surfactant systems to penetrate soils without damaging carpets or leaving behind a harmful residue

Units per case 15

#21 Bio Spot 25 oz

- Designed to eliminate urine, milk, blood, and other odor-causing organic material
- Formulated with three enzyme-producing bacteria strains

Units per case 15

#22 Tannin Spot 25 oz

- Developed to attack coffee stains, tannin-based (alkaline) stains, rust, and oxidized organics
- Acid-fortified formula

Units per case 15

2

Interim maintenance.

Remove common soils that darken carpets.

#27 Bonnet/Traffic Lane Cleaner 1gal

- Designed to dissolve ground-in soils prior to bonnet cleaning
- Made with a non-ionic surfactant formula that acts as traffic pre-spray, spin bonnet cleaner and general spotter

Units per case 4

#26 Dry Foam Carpet Cleaner 1gal

- Developed to lift and suspend soil for removal with low moisture and fast-drying times
- Formulated with optical brighteners and anti-resoiling polymers for an enhanced carpet appearance

Units per case 4

3

Restorative maintenance.

Remove spots and soils while neutralizing odors.

#25 Carpet Extraction Cleaner 1gal

- Formulated to clean and deodorize in one step

Units per case 4

HAND HYGIENE

Hand-hygiene solutions you and your guests can trust

Help keep your communities clean, safe and comfortable with the Safeguard hand-hygiene system that's been trusted and effective for years.

Safeguard Foaming kills 99.9% of bacteria*.

HAND HYGIENE

Product line-up

Safeguard® Antibacterial Foaming Hand Soap

- Great smell, no unpleasant chemical odor
- Effective against a wide range of bacteria
- More than 1,700 hand washes per cartridge

Safeguard® Antibacterial Hand Soap

- Powerful formula washes away dirt and bacteria
- Removes 99% of bacteria from hands
- Formulated with skin conditioners to help prevent dry skin
- Available in 1 gal bottle and 800mL cartridges

Safeguard E2® Antibacterial Foaming Hand Soap

- No dyes or perfumes
- Effective against a wide range of bacteria
- Available in 1.2L cartridges

Safeguard® Non-Antibacterial Hand Soap

- Powerful formula washes away dirt and bacteria
- Formulated with skin conditioners to help prevent dry skin
- Available in 1 gal bottle and 800mL cartridges

Safeguard® Hand Sanitizer Gel

- Works on contact without water
- 62% isopropyl alcohol
- Quick and easy

Safeguard® Foaming Hand Soap Dispenser Manual

- Reliable ABS shell/ADS compliant
- Hassle-free cartridge replacement

Safeguard® Foaming Hand Soap Dispenser Touchless

- Uses hand soap and gel cartridges
- Hands-free product dispensing
- Free-standing design

SUSTAINABILITY

Environmental sustainability at P&G

Our philosophy

Our responsibility

As a global company we have operations in 180 countries. We are committed to operating sustainably. We want to ensure consumers never need to choose between the products they use today and what they hope to preserve for tomorrow.

A business opportunity

Sustainability helps us reduce costs and increase value. Operating sustainably ensures we can continue to operate for generations to come. Sustainability and business successes go hand in hand.

A way to better serve our consumers

Our brands touch more than 70% of the world's population. We know they care about brand performance **and** sustainable performance. Our objective is to design products that delight consumers while maximizing the preservation of resources.

SUSTAINABILITY

Sustainable cleaning that works

Our sustainability objective is to create value in the away-from-home industry with brands and products that our customers and their guests prefer, while conserving resources and protecting the environment.

Integrated Sustainability

Sustainability is built into everything we do. This leads to total operational value AND the preservation of resources.

These are just a few examples of how our products deliver against our sustainability commitments:

CLIMATE

WATER

WASTE

Tide Professional Coldwater Laundry System

- 75% energy cost reduction*
- 40% reduction in water usage*
- 15% reduction in linen replacement*

OPL 5 gallon package

- Less packaging with 20% less plastic material**
- 40% more jugs per pallet**

Dawn Professional Manual Pot & Pan Detergent

- Saves up to 6,000 gallons of water per year
- 58% more dishes per sink†
- 38% fewer sink changeovers†

Spic and Span Disinfecting All-Purpose Spray and Glass Cleaner

- 15x concentrated and a 3-in-1 formula helps reduce packaging
- Cleans in 50% fewer strokes for reduced chemical usage

P&G Pro Line Finished Floor Cleaner

- Removes up to 59% more soil for reduced chemical usage††
- 256x concentrated formula helps reduce packaging

Dawn, Tide, Downy and more

- Made in plants that use renewable electricity from wind farms
- Helps eliminate 250,000 tons of CO₂ annually

- Lower energy costs
- Lower transportation costs
- Fewer products needed
- Lower carbon emissions
- Less packaging
- Conserving water

* When you switch to the Tide Professional Coldwater System from a standard hot system. Linen replacement reduction is vs. a leading alkaline system in a 50-cycle test.
 ** vs. previous plastic pail
 † vs. a leading private label competitor based on recommended dosage of 1oz per 10 gallon sink. Average across 3 water hardness
 †† vs. the leading competitor

TRAINING

Easy to learn. **Easy to use.**

Training all employees is essential to the success of your cleaning program. Challenges like high employee turnover, confusing products and complicated procedures make it difficult to effectively train employees and keep your business running smoothly.

At P&G Professional, our training program is easy to learn – and easy to use.

- Streamlined products that can clean more with less
- Brands your employees already know and trust
- A broad range of training tools

Customizable training for your business

The P&G Professional Training program provides a number of resources, in both English and Spanish, for ease and accessibility – customizable to fit with how your business operates, including:

In-person training

Simplified procedure materials

Desktop and mobile access to online tutorials, videos, and quizzes at P&G Professional University

24/7 training by phone

SERVICE & EQUIPMENT

Dedicated to your **satisfaction**

P&G Professional is known for our trusted brands and simple and effective solutions that improve the operational efficiency of your business. To ensure that we continuously deliver the highest quality, we offer P&G Professional Service – a team that’s fully dedicated to your satisfaction, with streamlined solutions designed just for you.

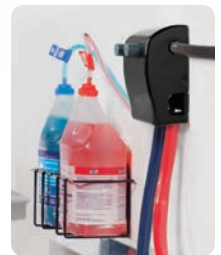

Motivated by your satisfaction, not commissioned sales

- Sales and service reps serve different roles, so we’re not selling you products or equipment you don’t need
- We’re measured on customer satisfaction, responsiveness, quality, and compliance – NOT commissioned sales

Innovative equipment solutions

- **Accurate dosing** for less waste and more savings
- **Tytro Pro system** with AccuPro technology averages **98-99% accuracy*** at low and high flows across the range of metering tips
- **Expert installation** without interrupting your business
- **Guaranteed equipment** performance

A range of Tytro Pro™ models allows for customized solutions to fit your business.

P&G Professional™ SERVICE

★★★★★

every experience counts.™

P&G Professional™

* validated with water pressure ranging from 30-60 psi

Dedicated to your satisfaction

Motivated by your satisfaction, not commissioned sales

- Sales and service reps serve different roles, so we're not selling you products or equipment you don't need
- We're measured on customer satisfaction, responsiveness, quality and compliance – NOT commissioned sales

Service essentials

- Expert installation of performance-guaranteed equipment
- 24/7 emergency support when you need it
- Data capture lets you know what service has been performed, with date and time of visit

Regulatory support

Our dedicated team works across local, state and federal levels to ensure compliance with:

- Plumbing, food-safety, and worker-safety regulatory authorities, such as OSHA, Board of Health, CMS regulations, CDC guidance, and other local & state public health agencies

Transparent property reporting

- You'll know when we've been there and what actions were taken
- Receive insights into your locations' performance, based on usage, equipment performance and compliance

Procedures

- Easy-to-follow cleaning and safety procedures reinforce employee training
- Multi-lingual procedures provide clear understanding
- Digital procedures available through our online portal
