

P&G Pro Line® Baseboard Stripper

A highly effective baseboard stripper for removal of finish, as well as for clean up of other tough soils. Ideal for removing heavy wax build-up in floor corners. Effective for “spot stripping” when repairing small areas of damaged floor finish.

Features

- Foaming liquid clings to vertical surfaces to prevent stripper from seeping under baseboard surfaces
- Removes tough wax and soil build-up
- Proprietary non-butyl technology designed for user safety
- Ready-to-use formula
- Non-aerosol

Applications

- Use on baseboards, door frames, and trim
- Use on floor edges, corners, and stairways where machines can't reach
- Do not use on painted surfaces (test first on inconspicuous surface), varnished wood, or any surface that can be harmed by water contact

32 oz.
