Easy Cleaning, Beautiful Carpets, One System

Simplify carpet cleaning with P&G Pro Line® Carpet Care System. Maintain, restore and protect carpets with a complete high performance system that works together to help carpets look their best.

3 Easy Steps to Fresh, Clean Carpets

1 Daily/Regular Maintenance Spotters. Avoid staining with these clear formula products. Fresh, clean fragrance.

#20 General Use

- Engineered to penetrate petroleum-based soils and break down protein and food stains
- Formulated with non-ionic surfactant systems to penetrate soils without damaging carpets or leaving behind a harmful residue

Size	Units per Case
25 oz.	15

#21 Bio Spot

- Designed to eliminate urine, milk, blood, and other odor-causing organic material
- Formulated with three enzyme-producing bacteria strains

Size	Units per Case
25 oz.	15

#22 Tannin Spot

- Developed to attack coffee stains, tannin-based (alkaline) stains, rust, and oxidized organics
- Acid-fortified formula

Size	Units per Case
25 oz.	15

2 Interim Maintenance. Remove common soils that darken carpets.

#27 Bonnet/Traffic Lane Cleaner

- Designed to dissolve ground-in soils prior to bonnet cleaning
- Made with a non-ionic surfactant formula that acts as traffic pre-spray, spin bonnet cleaner and general spotter

Size	Units per Case
1 gal.	4

#26 Dry Foam Carpet Cleaner

- Developed to lift and suspend soil for removal with low moisture and fast-drying times
- Formulated with optical brighteners and anti-resoiling polymers for an enhanced carpet appearance

Size	Units per Case
1 gal.	4

3 Restorative Maintenance. Remove spots and soils while neutralizing odors.

#25 Carpet Extraction Cleaner

- Formulated to clean and deodorize in one step

Size	Units per Case
1 gal.	4
