# **FEBREZE & SWIFFER DAILY CLEANING**

Febreze <sup>®</sup>
Fabric Refresher

Swiffer ® Sweeper & Dusting Cloths

FREQUENCY OF CLEANING: Daily, as needed..

**Uses:** Safely eliminates odors on fabrics, including smoke and odors caused by bacteria, mold and mildew.

### Examples:

- Carpets
- Upholstered furniture
- Drapes
- Any fabric
- Air filters

#### Instructions:

- 1. Spray fabrics evenly until slightly damp.
- 2. Odors fade as the item dries
- 3. Use more for difficult odors.

### Notes:

- Febreze eliminates odors trapped in fabrics. Febreze is not a perfume cover-up As the fabric dries, fabric and Febreze odors disappear. The odors won't come back, leaving the fabric odor-free.
- Safe on virtually all fabrics. It does not yellow, tarnish or build up over time. Always test on a hidden area of fabric.

# Swiffer Sweeper & Dusting Cloths

**Uses:** Removes dust, dirt and hair instead of stirring them up.

### Examples:

- Furniture
- Hard surface floors
- Blinds / Mini-blinds
- Shelves
- Plants
- Walls
- Door and window frames
- Any place dust, dirt and hair collect

## Instructions:

- 1. Wipe surfaces with the Swiffer dusting cloth.
- 2. For hard-to reach areas or floor surfaces, attach Swiffer cloth to the Swiffer sweeper.

### Notes:

- Swiffer dusting cloths must be used on dry surfaces.
- 2. Do not spray anything on Swiffer dusting cloth.
- Note: Be sure to use both sides of cloth. One cloth will clean large area or several restrooms.
