Floor care

every experience counts.™

P&G
Professional™

P&G Pro Line Floor Care System: a superior first impression

P&G Pro Line's High Affinity, Dexterity, and Presence floor finishes deliver **better shine and clarity** vs. other leading comparable floor finishes. They **look good for longer too** – resisting wear & maintenance*, all while maintaining superior shine.

The secret to our unbeatable floor finish performance

PROFUSION perfectly balances shine with durability

ProFusion is the technological foundation of every P&G Pro Line floor finish, and the reason we can offer finish solutions that are uniquely designed to meet your specific needs.

“SHINE” POLYMER

Each P&G Pro Line finish has its own uniquely blended shine polymers that deliver a superior shine

WAX POLYMER

Optimum wax ratios are custom matched to the polymers resulting in the ultimate burnishing response

“DURABLE” POLYMER

P&G Pro Line's custom balanced formulations ensure that durability polymers provide the maximum in resistance against wear and black heel marks

*Up to 360 burnish cycles, 5 coats of finish

A simple system for a brilliant shine

Product line-up

Our P&G Pro Line® Floor Care System features a complete line-up of high performance finished floor care products.

1 Highly effective strippers

P&G Pro Line® #09 Heavy Duty Floor Stripper

Highly effective low-odor heavy-duty floor finish stripper that provides **fast and consistent stripping of up to 10+ layers***, to minimize the labor and time involved in stripping.

P&G Pro Line® #10 Low Odor Floor Stripper

Highly effective on tough strip jobs, “no-rinse” formula leaves floor free of alkalinity, butyl free and low odor. **Cost effective 1:8 dilution.**

P&G Pro Line® #18 Baseboard Stripper

Non-aerosol foaming liquid that clings to vertical surfaces, removes tough wax and soil.

2 Floor finishes that last

Presence™ #13 Low Maintenance Floor Finish

Superior durability and shine. Designed to be burnished **0-2 times per month.**

High Affinity™ #16 Low Maintenance Floor Finish

Designed to deliver high depth of gloss, shine, and superior durability. Designed to be burnished **0-1 time per week.**

Dexterity™ #15 Highly Versatile Floor Finish

High shine with excellent water resistance. Designed for moderate burnish frequency, **1-3 times per week.**

Grand Opening™ #17 Premium Ultra High Speed Floor Finish

Unbeatable wet-look gloss with exceptional burnish response. Designed for daily burnishing, **5-7 times per week.**

P&G Pro Line® #19 Spray Buff/Maintainer

Repairs scratches and scuffs that can detract from high gloss. Works with virtually any finish to restore a brilliant shine. For use with spray buffing, UHS burnishing, or auto scrubbing.

3 Superior floor cleaners

P&G Pro Line® #32 Finished Floor Cleaner

Dissolves and removes tough dirt, low-sudsing formula—ideal for auto scrubbers, high dilution rate 1:212, 1:512 in auto scrubber.

P&G Pro Line® #33 Disinfecting Floor and Surface Cleaner II

Cleans, disinfects and deodorizes in one step with a neutral pH.

A complete carpet care system with amazing results

Carpet care

every experience counts.™

P&G
Professional™

Easy cleaning, beautiful carpets, one system

Simplify carpet cleaning with P&G Pro Line® Carpet Care System. Maintain, restore and protect carpets with a complete high performance system that works together to help carpets look their best.

3 easy steps to fresh, clean carpets

1 Daily/regular maintenance spotters. Avoid staining with these clear formula products. Fresh, clean fragrance.

#20 General Use

- Engineered to penetrate petroleum-based soils and break down protein and food stains
- Formulated with non-ionic surfactant systems to penetrate soils without damaging carpets or leaving behind a harmful residue

Size	Units per case
25 oz.	15

#21 Bio Spot

- Designed to eliminate urine, milk, blood, and other odor-causing organic material
- Formulated with three enzyme-producing bacteria strains

Size	Units per case
25 oz.	15

#22 Tannin Spot

- Developed to attack coffee stains, tannin-based (alkaline) stains, rust, and oxidized organics
- Acid-fortified formula

Size	Units per case
25 oz.	15

2 Interim maintenance. Remove common soils that darken carpets.

#27 Bonnet/Traffic Lane Cleaner

- Designed to dissolve ground-in soils prior to bonnet cleaning
- Made with a non-ionic surfactant formula that acts as traffic pre-spray, spin bonnet cleaner and general spotter

Size	Units per case
1 gal.	4

#26 Dry Foam Carpet Cleaner

- Developed to lift and suspend soil for removal with low moisture and fast-drying times
- Formulated with optical brighteners and anti-resoiling polymers for an enhanced carpet appearance

Size	Units per case
1 gal.	4

3 Restorative maintenance. Remove spots and soils while neutralizing odors.

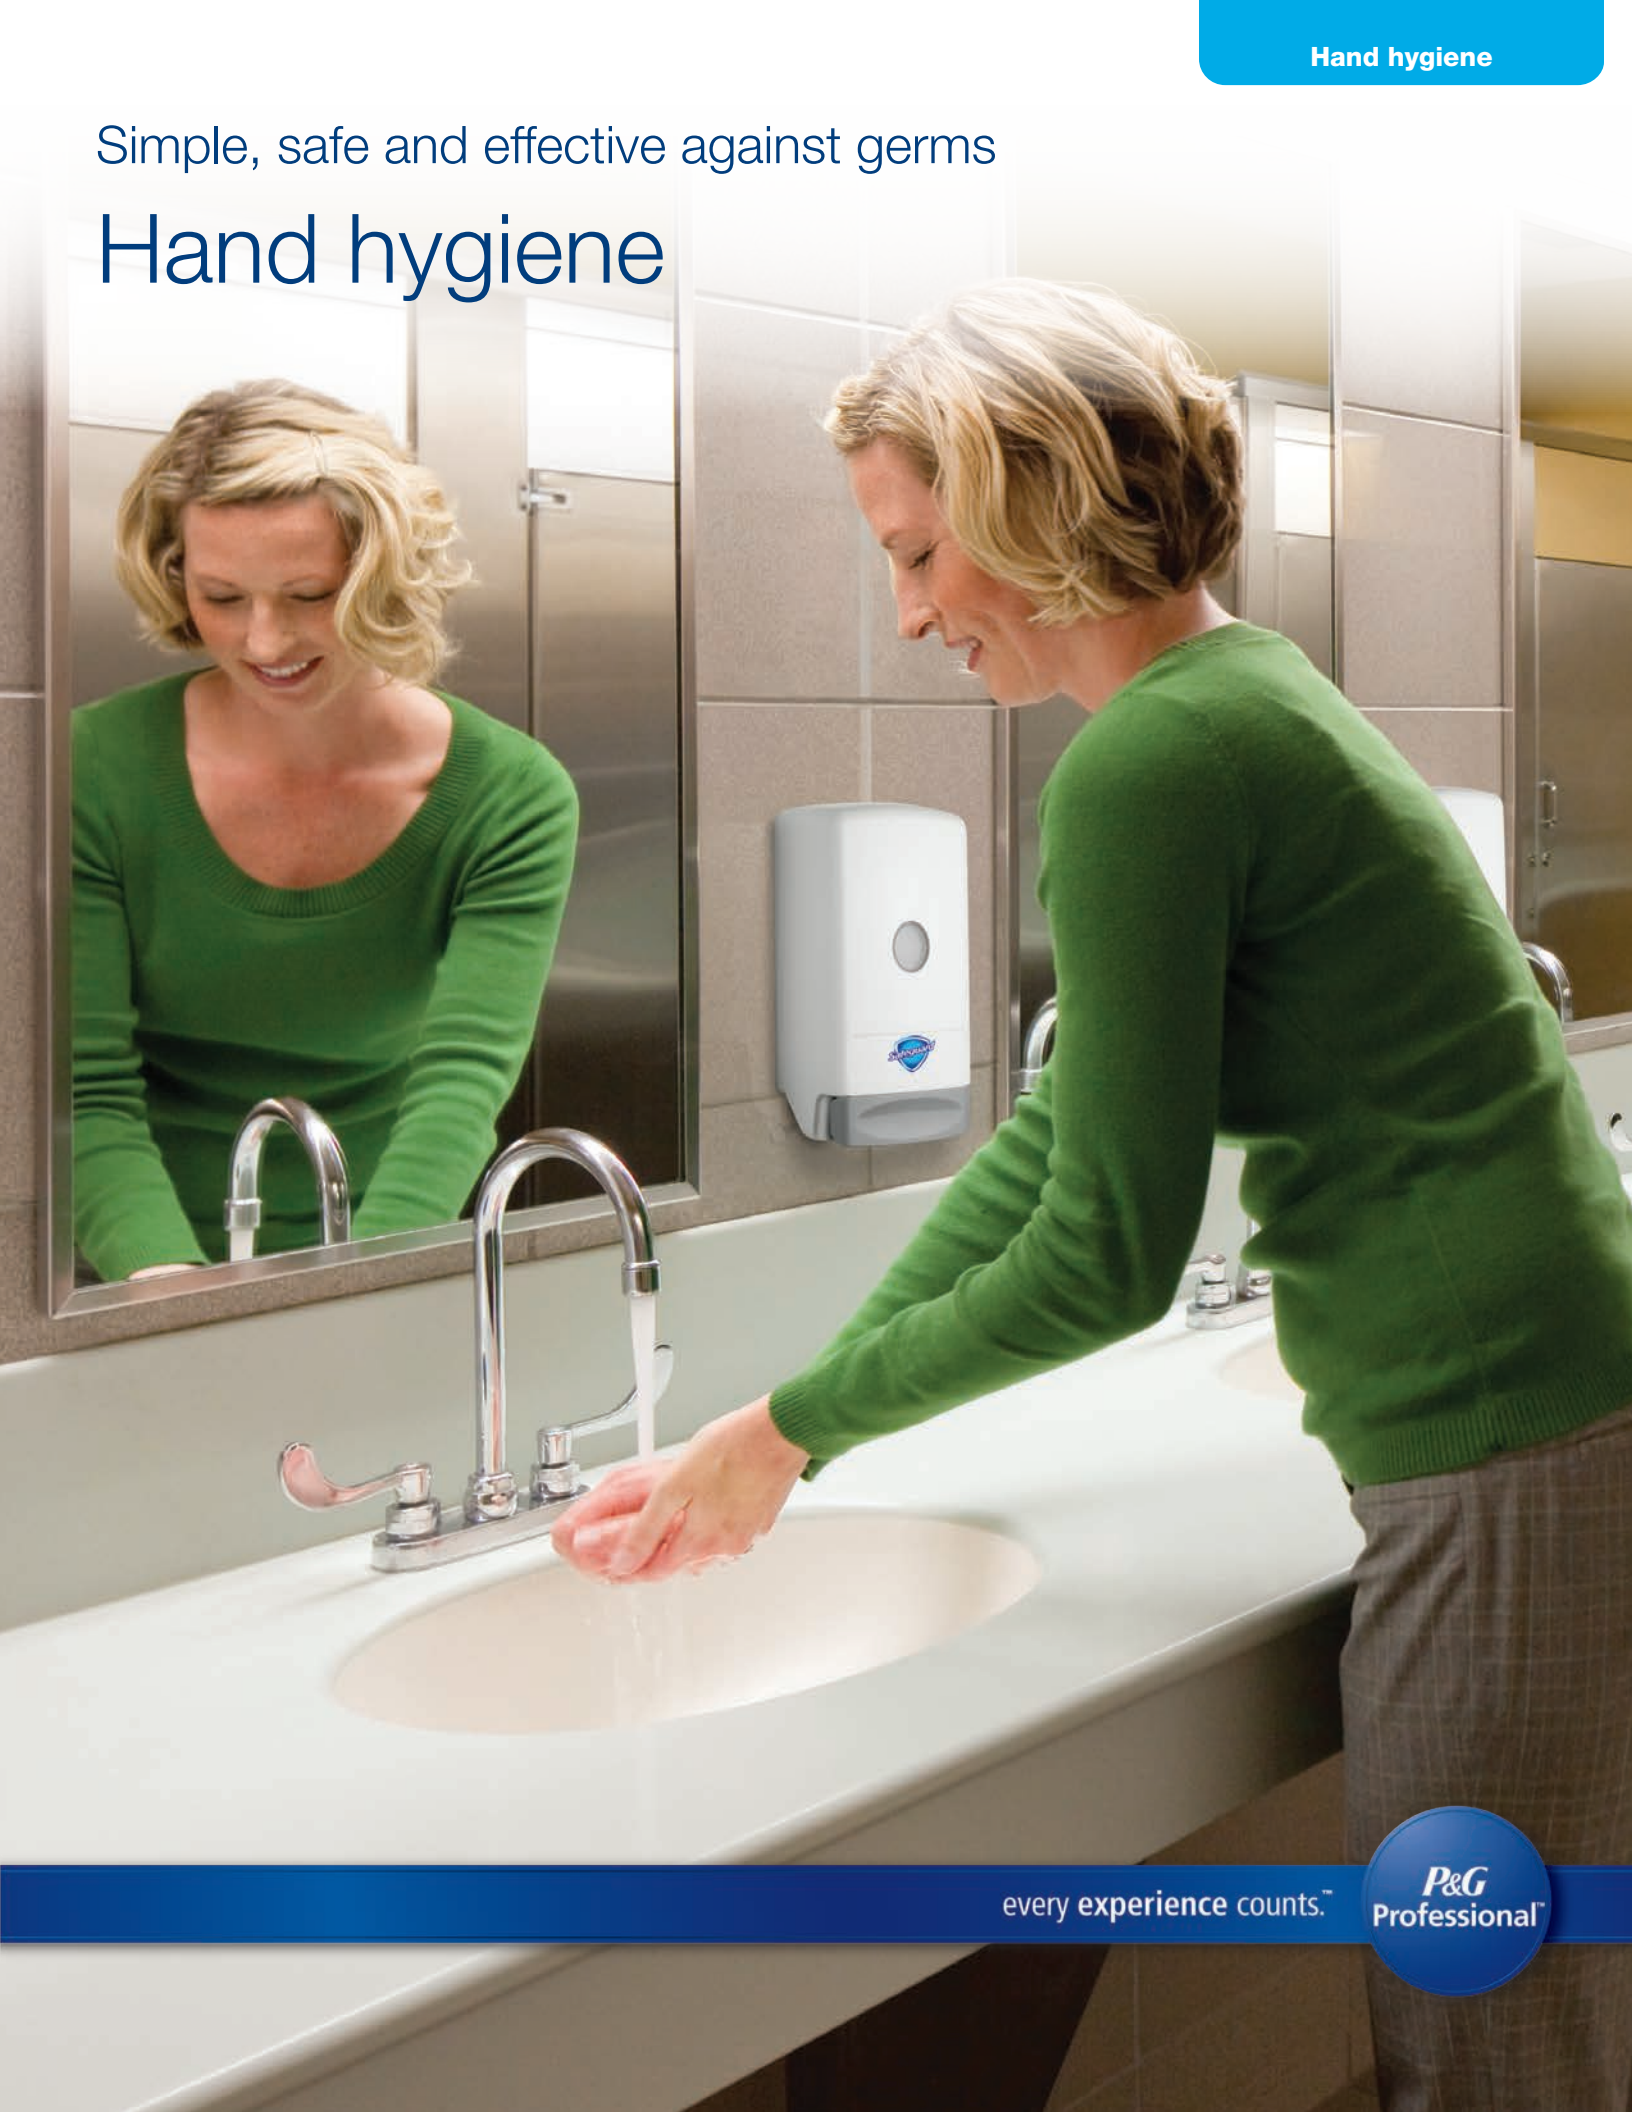

#25 Carpet Extraction Cleaner

- Formulated to clean and deodorize in one step

Size	Units per case
1 gal.	4

Simple, safe and effective against germs

Hand hygiene

Sustainable cleaning that works

Sustainability

every experience counts.™

P&G
Professional™

Environmental sustainability at P&G

Our philosophy

Our responsibility

As a global company we have operations in 180 countries. We are committed to operating sustainably. We want to ensure consumers never need to choose between the products they use today and what they hope to preserve for tomorrow.

A business opportunity

Sustainability helps us reduce costs and increase value. Operating sustainably ensures we can continue to operate for generations to come. Sustainability and business successes go hand in hand.

A way to better serve our consumers

Our brands touch more than 70% of the world's population. We know they care about brand performance **and** sustainable performance. Our objective is to design products that delight consumers while maximizing the preservation of resources.

Our sustainability objective is to **CREATE VALUE** in the away-from-home industry with brands and products that our customers and their guests prefer, while **CONSERVING RESOURCES** and **PROTECTING THE ENVIRONMENT**.

Integrated Sustainability

Sustainability is built into everything we do. This leads to total operational value **AND** the preservation of resources.

These are just a few examples of how our products deliver against our sustainability commitments:

CLIMATE

WATER

WASTE

Lower energy costs	OPL 5 gallon package	<ul style="list-style-type: none"> Less packaging with 20% less plastic material* 40% more jugs per pallet* 	Lower carbon emissions

Lower transportation costs	Spic n Span Disinfecting All-Purpose Spray and Glass Cleaner	<ul style="list-style-type: none"> 15x concentrated and a 3-in-1 formula helps reduce packaging Cleans in 50% fewer strokes for reduced chemical usage 	Less packaging
Fewer products needed	P&G Pro Line Finished Floor Cleaner	<ul style="list-style-type: none"> Removes up to 59% more soil for reduced chemical usage† 256x concentrated formula helps reduce packaging 	Conserving water
	Dawn, Tide, Downy and more	<ul style="list-style-type: none"> Made in plants that use renewable electricity from wind farms Helps eliminate 250,000 tons of CO2 annually 	

Easy to learn. Easy to use.

P&G Professional Training

every experience counts.™

P&G
Professional™

Easy to learn. Easy to use.

Training all employees is essential to the success of your cleaning program. Challenges like high employee turnover, confusing products and complicated procedures make it difficult to effectively train employees and keep your business running smoothly.

At P&G Professional, our training program is easy to learn – and easy to use.

- Streamlined products that can clean more with less
- Brands your employees already know and trust
- A broad range of training tools

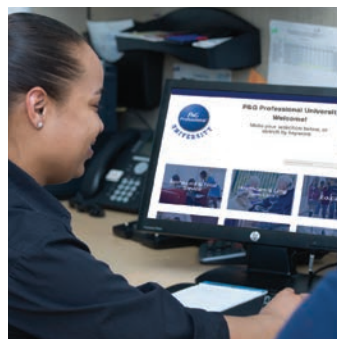

Customizable training for your business

The P&G Professional Training program provides a number of resources, in both English and Spanish, for ease and accessibility – **customizable to fit with how your business operates**, including:

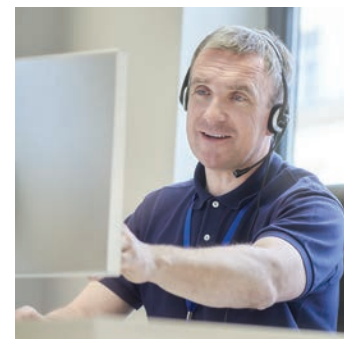

In-person training

Desktop and mobile access to online tutorials, videos and quizzes at P&G Professional University

Simplified procedure materials

24/7 training by phone

Dedicated to your satisfaction

P&G Professional Service

every experience counts.™

P&G
Professional

Dedicated to your satisfaction

P&G Professional is known for our trusted brands and safe, simple solutions that improve the operational efficiency of your business. To ensure that we continuously deliver the highest quality, we offer P&G Professional Service – a team that's fully dedicated to your satisfaction, with streamlined solutions designed just for you.

Innovative equipment solutions

- **Accurate dosing** for less waste and more savings
- **Tytro Pro system** with AccuPro technology **averages 98-99% accuracy*** at low and high flows across the range of metering tips
- **Expert installation without interrupting** your business
- **Guaranteed equipment** performance

A range of Tytro Pro™ models allows for customized solutions to fit your business.

*validated with water pressure ranging from 30-60 psi

Dedicated to your satisfaction

Motivated by your satisfaction, not commissioned sales

- Sales and service reps serve different roles, so we're not selling you products or equipment you don't need
- We're measured on customer satisfaction, responsiveness, quality and compliance – NOT commissioned sales

Service essentials

- Expert installation of performance-guaranteed equipment
- 24/7 emergency support when you need it
- Data capture lets you know what service has been performed, with date and time of visit

Regulatory support

Our dedicated team works across local, state and federal levels to ensure compliance with:

- Plumbing, food-safety, and worker-safety regulatory authorities, such as OSHA, Board of Health, CMS regulations, CDC guidance, and other local & state public health agencies

Transparent property reporting

- You'll know when we've been there and what actions were taken
- Receive insights into your locations' performance, based on usage, equipment performance and compliance

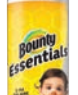

Procedures

- Easy-to-follow cleaning and safety procedures reinforce employee training
- Multi-lingual procedures provide clear understanding
- Digital procedures available through our online portal
