**P&G**  
Professional™

# A Simple System for a Brilliant Shine

**1** **Highly Effective Stripper**

**2** **Long-lasting Finish**

**3** **Superior Floor Cleaner**

**=** **A floor care system for unbeatable floors**

## Floor Finish Stripper Offers Low Odor & Convenience

**EXTREMELY  
LOW ODOR  
WITH NO BUTYL**

### P&G Pro Line® #10 Floor Finish Stripper

- Great for education and 24/7 facilities
- Proprietary combination of solvents makes it as effective as traditionally high pH strippers
- Lower alkalinity—safer for employees

## Floor Finishes with Unsurpassed Durability and Shine

**87% OF BUSINESS OWNERS**  
PURCHASE P&G PRO LINE  
**FLOOR FINISHES**  
AFTER COMPARING TO THEIR CURRENT FINISH

### P&G Pro Line® Floor Finishes

- A floor finish for every maintenance schedule
- Exceptional durability and shine in the third and fourth coat
- All finishes can be burnished with propane or electric machines

## Floor Cleaners: The Secret to a Longer-lasting Finish

REMOVE UP TO  
**59% MORE SOIL**  
THAN THE LEADING COMPETITOR  
AND EXTEND FLOOR FINISH LIFE

### P&G Pro Line® #32 Finished Floor Cleaner

- Unique blend of surfactants allows mops/autoscrubbers to lift deposited soils better than the competition
- High dilution rate for damp mop cleaning or all-purpose cleaning (1:256) and autoscrubber use (1:512)
- Makes 4x as many mop buckets as the leading competitor

# Longer-lasting, Brilliant Floors

## PRESENCE DELIVERS SUPERIOR DURABILITY\*

### Presence™ #13 Low Maintenance Floor Finish

- Burnishing Frequency 0-2x per month
- Up to **34% more durable†** with **51% more shine** than a leading low maintenance floor finish competitor
- Delivers similar shine and gloss with only 3 coats (40% less) vs. 5 coats of a leading low maintenance floor finish competitor

## HIGH AFFINITY DELIVERS SUPERIOR SHINE\*

### High Affinity™ #16 Low Maintenance Floor Finish

- Burnishing Frequency 0-1x per week
- Up to **13% more durable†** with **93% more shine** than a leading low maintenance floor finish competitor
- Delivers similar shine and gloss with only 2 coats (60% less) vs. 5 coats of a leading low maintenance floor finish competitor

## DEXTERITY DELIVERS SIMILAR SHINE WITH LESS COATS\*\*

### Dexterity™ #15 Highly Versatile Floor Finish

- Burnishing Frequency 1-3x per week
- Up to **17% more durable†** with **40% more shine** than a leading versatile floor finish competitor
- Delivers similar shine and gloss with only 4 coats (20% less) vs. 5 coats of a leading versatile floor finish competitor

\*vs. the leading comparable low maintenance floor finish competitor

†Durability to burnishing

# Product Line-up

Our P&G Pro Line® Floor Care System features a complete lineup of high performance finished floor care products.

## 1 Highly Effective Strippers

### **P&G Pro Line® #10 Floor Finish Stripper**

Highly effective on tough strip jobs, “no rinse” formula leaves floor free of alkalinity, butyl free and low odor.  
**Cost effective 1:8 dilution.**

### **P&G Pro Line® #18 Baseboard Stripper**

Non-aerosol foaming liquid that clings to vertical surfaces, removes tough wax and soil.

## 2 Floor Finishes that Last

### **Presence™ #13 Low Maintenance Floor Finish**

Superior durability and shine.  
Designed to be burnished  
**0-2 times per month.**

### **High Affinity™ #16 Low Maintenance Floor Finish**

Designed to deliver high depth of gloss, shine, and superior durability. Designed to be burnished **0-1 time per week.**

### **Dexterity™ #15 Highly Versatile Floor Finish**

High shine with excellent water resistance. Designed for moderate burnish frequency, **1-3 times per week.**

### **Principal™ #12 Low Maintenance Floor Finish**

Excellent low cost durability and shine.  
Designed to be burnished **0-2 times per month.**

### **New Directions™ #24 Zinc-Free Floor Finish**

Exceeds GS 40 requirements.  
Designed to be burnished  
**0-2 times per week.**

### **Grand Opening™ #17 Premium Ultra High Speed Floor Finish**

Unbeatable wet look gloss with exceptional burnish response. Designed for daily burnishing, **5-7 times per week.**

### **Ambassador™ #14 Ultra High Speed Floor Finish**

Excellent burnishing response and high shine. Designed to be burnished **3-5 times per week.**

### **P&G Pro Line® #19 Spray Buff/Maintainer**

Repairs scratches and scuffs that can detract from high gloss. Works with virtually any finish to restore a brilliant shine. For use with spray buffing, UHS burnishing, or auto scrubbing.

## 3 Superior Floor Cleaners

### **P&G Pro Line® #32 Finished Floor Cleaner**

Dissolves and removes tough dirt, low sudsing formula—ideal for auto scrubbers, high dilution rate 1:212, 1:512 in auto scrubber.

### **P&G Pro Line® #33 Disinfecting Floor Cleaner**

Cleans, disinfects and deodorizes in one step with a neutral pH.
